Location: Mansoura, Egypt

Summary

I am a dedicated and enthusiastic student at the Faculty of Computers and Information, Mansoura University, currently pursuing a degree in Computer Science. My focus is on back-end development, specifically in .NET. Throughout my academic journey, I have gained a solid foundation in software development and problem-solving skills. I am passionate about applying my knowledge in real-world scenarios and eager to contribute to innovative projects within a dynamic and collaborative environment.

Education

Faculty of Computers and Information Science mansoura University
Third year (IT).

Sep. 2022 – present

Experience

UpSkilling academy(.NET)

Oct.2024 - present

- Learned fundamental concepts of C#
- Studied C# , Data Structures , OOP , SQL Server, LINQ ,Advanced C# , Advanced SQL Server, DataBase Design.
