Location: Mansoura, Egypt

Summary

I am a dedicated and enthusiastic student at the Faculty of Computers and Information, Mansoura University, currently pursuing a degree in Computer Science. With a strong foundation in software development and problem-solving, I have specialized in back-end development using .NET. However, my passion for SEO has driven me to explore search engine optimization strategies, technical SEO, and data-driven analysis. I am eager to apply my knowledge in real-world scenarios and aspire to take on a Junior SEO role, leveraging my technical background to optimize digital presence and enhance online visibility. I thrive in dynamic and collaborative environments, always seeking to grow and contribute to innovative projects.

Education

Faculty of Computers and Information Science mansoura University
